Veterans Day is an official United States federal holiday that is observed annually on November 11, honoring people who have served in the U.S. Armed Forces, also known as veterans. It coincides with other holidays including Armistice Day and Remembrance Day, which are celebrated in other parts of the world and also mark the anniversary of the end of World War I (major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918, when the Armistice with Germany went into effect). The United States also originally observed Armistice Day; it then evolved into the current Veterans Day holiday in 1954.

U.S. President Woodrow Wilson first proclaimed Armistice Day for November 11, 1919. In proclaiming the holiday, he said

"To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations."

Of course Veteran's Day is not a religious holiday. But as Christians we can celebrate by praying for the families of the deceased veterans, praying for those that are still on active duty, and praying for the individuals that have served in the past for the US Armed Forces. There are a lot of veterans that have lingering problems related to their time of service to our country.

This coming Sunday, November 11th, we will be paying tribute to our Veterans as we recognize Veteran's Day.
